we clean...you shine

Welcome

Platinum Total Fabricare, the market leader for nearly two decades. Though innovations in new technologies and consistent training in the newest of fashions and fabricare, Platinum continues to be the most sought-out Fabricare specialist.

everyday

Platinum Everyday – Whether you work hard or play hard, Platinum expertly services your everyday fabricare needs at competitive prices. From business shirts to casual khakis, Platinum Everyday will have you stylishly ready for your next adventure. Extraordinary cleaning for everyday life.

select

Platinum Select – The ultimate and one of a kind in couture service. An attentive process of individually hand cleaning and hand finishing each piece. Garments are assigned and cared for by a Couture Specialist experienced in caring for unique garments and fabrics. Afterwards, each piece is hand inspected and finished by the founder whose extensive experience spans over 28 years in the fabric care industry. The Ultimate in Couture Service.

forever

Platinum Forever – Today's treasures become instant keepsakes. Our Platinum Forever service carefully preserves or restores your memorable heirlooms. Fabricare experts take pride in carefully cleaning the most demanding of fabrics. Each garment is hand inspected and finished to the highest standard, your approval. Today. Tomorrow. Forever.

home

Platinum Home - Trusted experts professionally care for valued home fabrics such as table linens, bed linens and bed coverings. So for your next special engagement, make a lasting impression and celebrate with the help of Platinum Home. A new level of home living.
